NEW MAZDA3 LOVES DRIVERS

Mazda3 has always been devoted to drivers. With a dynamic shape that tempts you to jump behind the wheel and spirited performance that means you'll love being there. It also has great fuel economy plus sat nav and Bluetooth® on most models. And now with the efficient performance of the new SP20 SKYACTIV model, featuring innovative SKYACTIV Technology, Mazda3 loves drivers even more. A test drive will prove it - visit your dealer or mazda.com.au

NEO

It's big on looks, features and has plenty of go. With Neo you've got lots of Zoom-Zoom packed into a small car.

- 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT
